

**REMARKS**

Claims 1, 37-42, 44-69 and 73-74 are currently pending in the application. Claims 49-50, 57, and 59-60 have been amended. Claims 70-72 have been canceled. Applicant respectfully submits that no new matter has been added. Reconsideration of the application as amended is respectfully requested.

Independent claims 1, 37, 49-50, 57, 59-60, and 73-74 each recite, among other things, using an antenna having a simultaneous dual Q-factor, the Q factor being high for a first signal and low for a second signal. In a recent phone interview with Examiner Eugene Yun, this claimed feature was indicated as allowable. Applicant respectfully submits that independent claims 1, 37, 49-50, 57, 59-60, and 73-74 and claims depending therefrom are in condition for allowance.

In view of the above amendment, Applicant respectfully submits that the present application is in condition for allowance. A Notice to that effect is respectfully requested.

Dated: July 25, 2008

Respectfully submitted,
